WELCOME TO OUR EXCITING NUTRILITE KIDS WORLD!

A happy childhood is made up of many beautiful childhood memories, such as learning new and exciting things, going on adventures with friends, discovering the world and much more!

For sure you want to support your child collecting as many happy memories as possible and to grow healthy and strong.

The Nutrilite™ brand offers a range of children products which can help to fill potential nutritional gaps with yummy fun food supplements.

Basic growth support Nutrilite Chewable Multivitamin

Calcium and vitamin D are needed for normal **growth and development of children's bones**. In addition vitamin D contributes to the normal functioning of the **immune system**. Iron contributes to the normal **cognitive development** of children. Contains also all eight B-vitamins, beta carotene and so much more!

Immunity support Nutrilite Chewable C

This supplement contains vitamin C which contributes to the normal function of the **immune system** With acerola cherry, one of the richest sources of vitamin C.

Bones support Nutrilite Chewable Cal Mag

Contains two essential minerals – calcium obtained from oyster shells and magnesium. Calcium is needed for normal **growth and development of children's bones**.

Omega-3 fatty acids diet support Nutrilite Kids Omega-3

It contains **fish oil from sustainable sources** certified by "Friend of the Sea". Omega-3 fatty acids like DHA should be an essential part in a healthy diet for children as these good fats can not be produced sufficiently by the body. Yummy soft chews also provide vitamin D for normal **growth and development of children's bones**.

COLOURFUL PLATES AND SNACK BOXES!

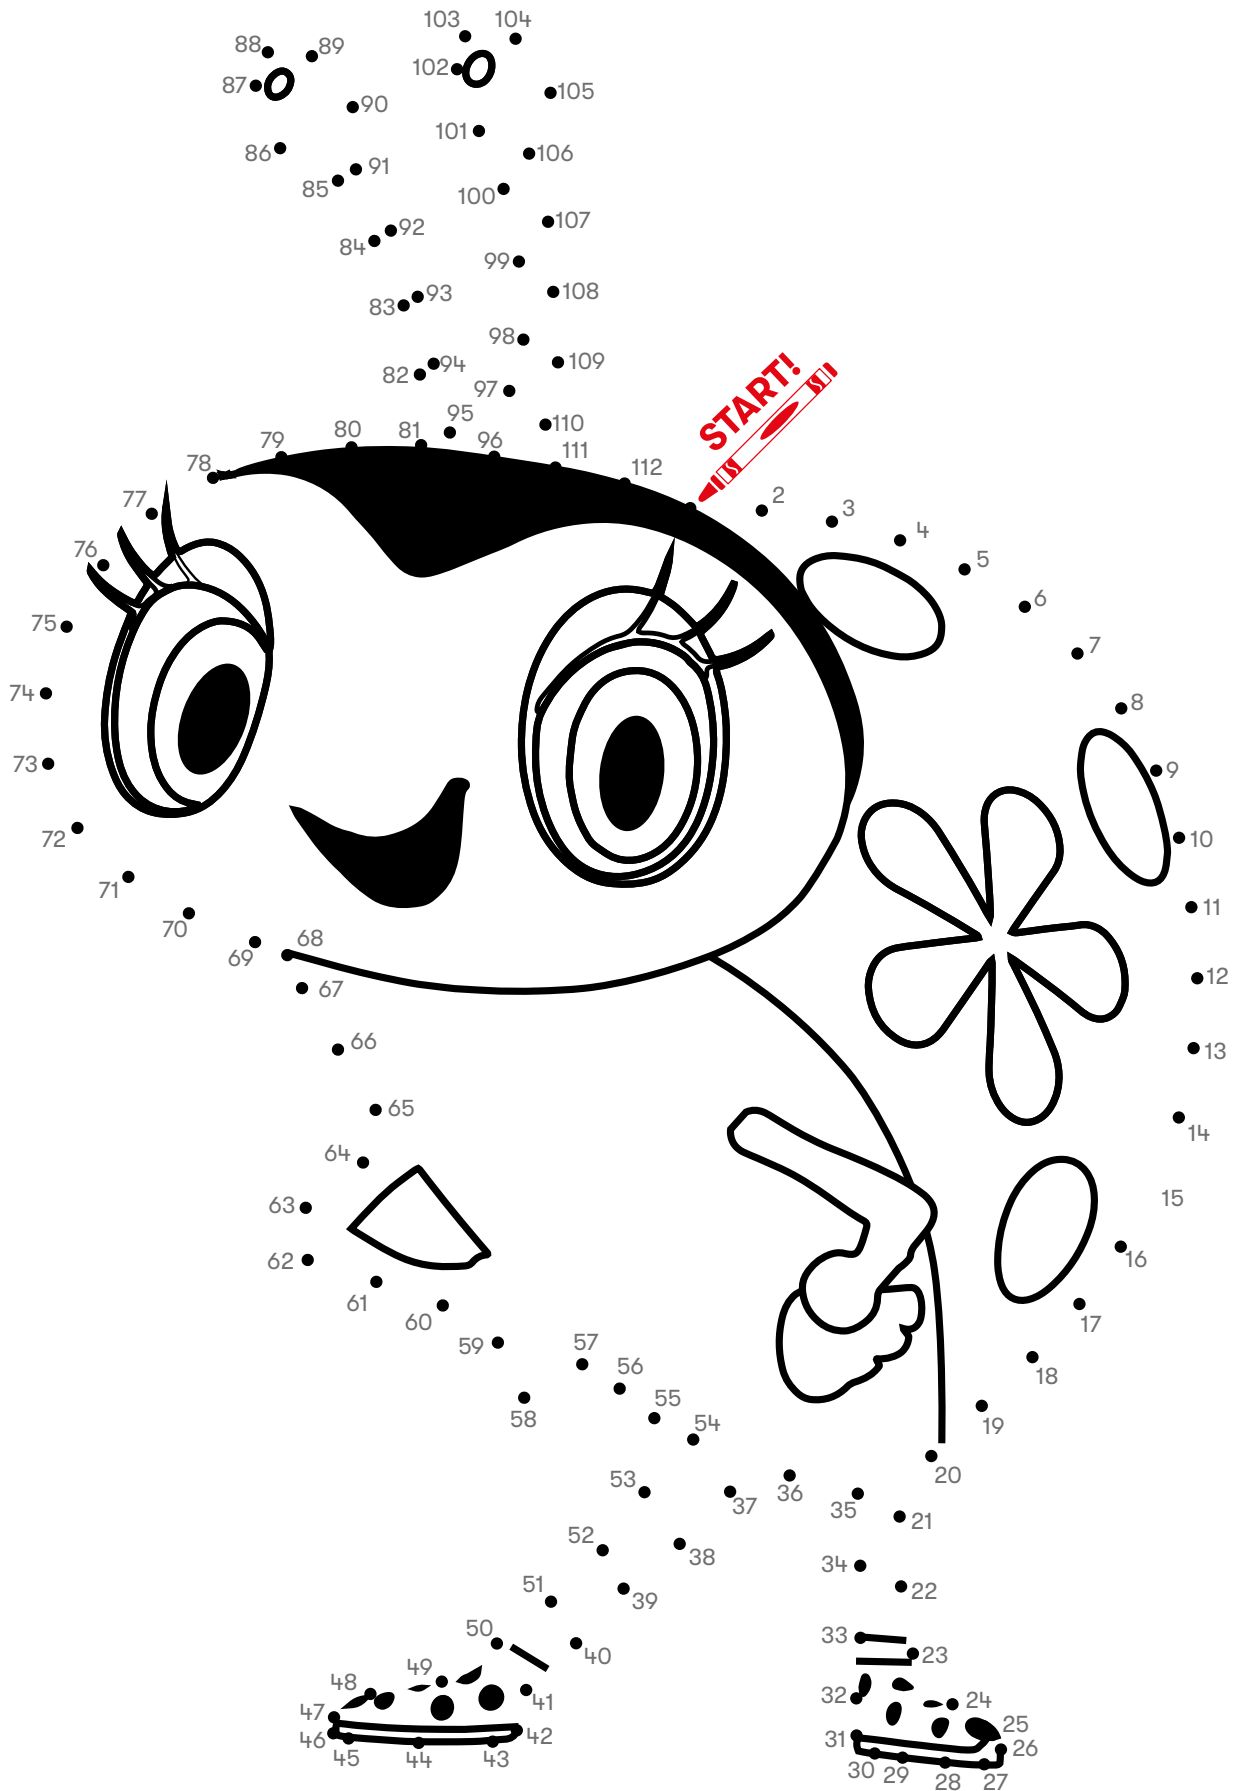

Bring color to your little one's diet!

Eating vegetables and fruits is so important! In plants we can find phytonutrients, which give them their colour, protect them and promote their growth. And what is good for plants – might be good for your children as well! So add as many colors as possible into the daily diet of your little ones – get inspired by the nature itself or by our fun snack box ideas. See why they are loved by both: kids and parents.

THE HAPPIEST QUIZ

The Nutrilite™ Farm is the happiest farm on earth! It is a healthy place where everyone and everything, from soil to plants, from bugs to people, all work together. Here they create a sustainable, farm that grows plants for Nutrilite supplements.

Let's guess which Nutrilite Kids heroes we are talking about! Do you know? Try yourself!

A.
Its superpower comes through only when the farm is in balance. When you see this beautiful and colorful creature flying over meadows and fields, it is a sign of a very happy and healthy place.

It is

B.
Its superpower is to help pollinate various plants to make fruits and vegetables. It has a solution for each plant to thrive. Did you know that this tiny insect flaps its wings up to 200 times per second?

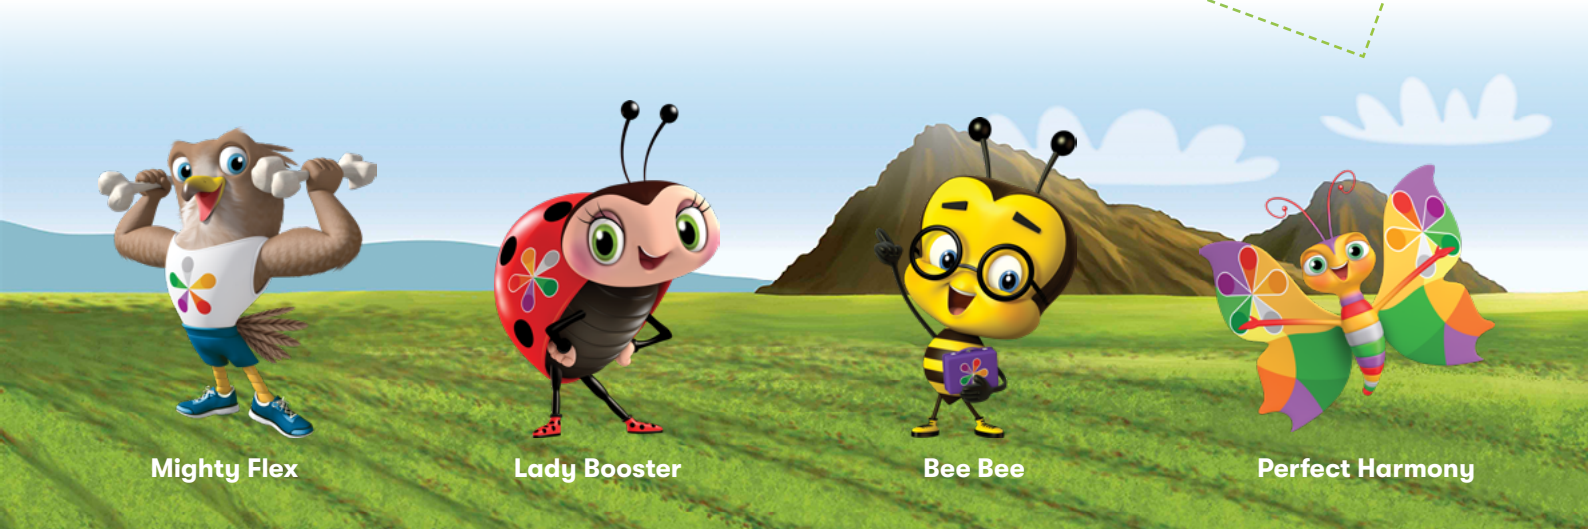

It is

C.
It uses its dotted supershield to protect plants from bad bugs that eat leaves. That's why it's great to have this hero in your garden.

It is

D.
It is big and strong, but really friendly. It can see really far and fly super high. It uses its muscle-power like a guardian, keeping at bay animals which can do harm to the farm.
